1. Basic information

Papers submitted to this journal should be written in English. Only unpublished materials can be published, and authors may not republish their paper in the same or similar form. All rights related to reproduction belong to the Editorial Board of this Journal. Papers are expected to be written with the use of MS Word editor. Indentation of a paragraph should be 12,5mm, evenly justified to both margins, 12 pts Times New Roman font, captions bold, single interlines on A4 sheet size. The authors are kindly requested to submit **two hardcopies** of a paper, printed out on single full pages in a good printout quality, separately a *.doc and a drawing file (*.tiff, *.gif, *.jpg) saved on a diskette. All margins width is 25 mm. Each page number should be inserted on the back face of the page with the use of a blue pencil. The drawings have to be monochromatic.

2. Text layout

Mathematical formulas should be separated from the text, centered, typed bold face, numerated (numbers inserted in brackets), variables be written in italics. The drawings and illustrations should be inserted and wrapped with in text. The tables should be centered and inserted in the text.

The Editorial Board accepts the texts written both in Polish and in English language. The papers not exceeding 4 pages will be published with no charge while additional pages will be charged. References should be included in the paper as shown in the example [1] below. Caption "References" should be given.
